

OUR COMMITMENT

Founded in 2009 by owner and waterman Bill Price, Head High Wines is the first verified climate-neutral ocean-positive winery. We strive to be one of the world's most environmentally conscious wine brands and are responsible stewards of the land in all that we do.

FLAGSHIP WINES

Our Flagship wines, the heartbeat of Head High, are our obsession and truest representation of Sonoma County, known for producing some of the best wines in the world. From grape to glass, we honor our commitment to earth-friendly practices through our winemaking philosophy, marked by minimal intervention, and our farming, showcasing the region's exceptional fruit. With the renowned microclimates created by the diverse terrain and the Pacific Ocean, our obsession with making quality wines to enjoy every day is easily achieved.

SONOMA COUNTY, CA

Our wines showcase our love and commitment to Sonoma, an iconic and diverse wine-growing region we are lucky enough to call home. We focus on highlighting the terroir of Sonoma County, a haven for wine. Our grapes are planted with many of the same clonal selections, each one producing a different result based on the site's weather, soil conditions, and orientation to the sun. This results in a dynamic blend of each varietal based on what Sonoma County has to offer.

SUSTAINABLE SURF | OUR PARTNER

As the first Ocean Positive wine brand, we offset our carbon footprint by rebuilding kelp forests, watersheds, and mangroves worldwide. Every year, Head High supports social and environmental organizations through SeaTrees by Sustainable Surf that make the sea healthier. SeaTrees directly supports communities and scientists who protect and regenerate blue carbon coastal ecosystems, which can be up to 5-10x more effective than rainforests at removing carbon from the air.

TASTING NOTE

This 2022 Sonoma County Pinot Noir delights the senses with a bouquet of bright cherry and raspberry, intertwined with aromatic thyme and subtle clove notes. On the palate, it offers a harmonious blend of soft tannins and lively acidity, resulting in a silky texture and a clean, refreshing finish.
