

HEAD HIGH 2019 SONOMA COUNTY CHARDONNAY

THE CRUSADE

Head High Chardonnay comes from pure, unadulterated Sonoma County fruit. Grown in the optimal climate for chardonnay, Sonoma County's finest vineyards, this is the highest quality chardonnay at the best price. We want all people to experience the beauty and terroir of REAL Sonoma chardonnay. Wine grower, Bill Price, grew up in Hawaii, where surfing became a lifelong passion of his, before returning to California and falling in love with wine. Head High wines are like head high waves- perfectly balanced and ready to ride.

CHARITABLE GIVING

Head High is dedicated to making the world a better place. Together, we will create a cleaner environment and stronger communities. We donate money for every bottle sold to support social and environmental organizations that we love. The swell is coming. It's time to commit!

VINTAGE NOTES

2019 was an amazing year with epic conditions in Sonoma, the second in a row. With a mild spring and cool fall, ideal for chardonnay, we were happy to see tons of superb quality fruit. Notes of classic, cool climate chardonnay abound with vibrant floral and perfume aromas and fresh stone fruit, citrus, and bright minerality on the palate. 2019 will go down in history as a year to remember, creating wine of true character and finesse.
